

CONSTRUCTION ALERT

ADOT Interstate 40, A-1 Mountain to Country Club Drive

The Arizona Department of Transportation (ADOT), in cooperation with Southwest Asphalt Paving, is working to improve Interstate 40 between the A-1 Mountain Traffic Interchange and the Country Club Drive Exit. Beginning Monday, September 25th and continuing through Friday, September 29th, motorists should expect lane closures and minor delays while construction crews work on the interstate. Lane restrictions will be in effect and speed in the construction zone will be reduced in the eastbound and westbound lanes, so please adhere to all traffic control signage. ADOT and the contractor appreciate your patience.
